Withdrawal from the Buildings and Grounds Expendable Trust Fund:
Chairman Diane O'Hara reconvened the meeting at 5:30pm

Pret Tuthill explained the plan for the funds. Keith Brown suggested that the elementary school have a camera and a door buzzer. It was explained that the school currently has those items. It would be safer to have the office located at the front door. Hank Knight asked some specifics on the new sprinkler system. Keith Brown also asked if we are using this fund to complete these projects because the bond had failed before. The intent is to complete some work that failed in the previous bond.

Diane O'Hara adjourned this portion of the hearing at 5:45pm.

Respectfully Submitted,

Stacy S. Kruger
