

***Shaker Regional Superintendent Search Committee
Solicits Community Input***

The Shaker Regional School Board is in the initial stage of seeking a new Superintendent of Schools. In order to assist the Board in framing the desired characteristics and experience of our new leader, the Board is holding two forums specifically to solicit discussion and input from the community.

The first session will be held Wednesday, January 4, 2012 in the Canterbury Elementary School cafeteria at 6:00 pm. The second will be held on Thursday, January 5, 2012 in the Belmont High School cafeteria at 6:00 pm.

This is your opportunity to provide input on this critical position. Please plan on attending.

For those unable to attend a scheduled forum or wishing to provide further input to the Shaker Regional School Board, written comments may be forwarded to:
