CONDUCT OF EMPLOYEES¹²³⁴

All employees have the responsibility to make themselves familiar with, and abide by, the laws of the State of New Hampshire as they affect their work, the policies and decisions of the Shaker Regional School Board (SRSB), and the administrative regulations designed to implement them. For purposes of this policy, all employees also include any company contracted to provide services directly to students.

All employees shall be expected to carry out their assigned duties, support and enforce SRSB Board policies and administrative regulations, submit required reports, protect Shaker Regional School District (SRSD) property, oversee students and contribute to the education and development of students.

Employees shall present a positive example of professionalism and dedication to students, parents, community, and fellow workers. Employees shall avoid relationships that detract from their obligation to lead and critically evaluate students in the SRSD. Any employee who witnesses or learns of any inappropriate behaviors shall report it to the building principal or Superintendent immediately.

The manner, dress, courtesy, and attitudes of employees shall promote the educational process for students.
